Art Unit: 1712

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Judith Byorick on 6/16/06.

The application has been amended as follows:

Please cancel claims 1 to 44 and 88.

While the submitted copy of the claims filed 4/10/06 indicates that these claims are cancelled, applicants' remarks indicate that they are withdrawn from consideration. This amendment clarifies that these claims are, in fact, cancelled.

2. The following is an examiner's statement of reasons for allowance: Upon reconsideration and in view of applicants' remarks, the instant claims are neither taught nor suggested by the prior art. The printing processes in the prior art are, in fact, different from the instant claims which require each of the specific steps (a) through (d) as claimed. The Examiner refers to applicants' remarks for elaboration.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Margaret G. Moore whose telephone number is 571-272-1090. The examiner can normally be reached on Monday to Wednesday and Friday, 10am to 4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on (571) 272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
